
Small Business Transformation

with Dr. Greg Chapman

Professional Speaker for Your Conference, Workshop or Business Meeting

Begin your next event with impact and capture your audience's attention with compelling messages from Dr. Greg Chapman. Business has never been more competitive and Dr. Chapman's business building stories are the foundation for a successful membership or group meeting. It's a program packed with powerful ideas.

Simple to Understand Concepts that Work

As author of business books including;
"The Five Pillars of Guaranteed Business Success," and "Price-How You Can Charge More Without Losing Sales," Dr. Chapman has examined typical owner pitfalls to produce a road map that increases profits and makes their business run without them.

Choose from such seminar topics as:

- **Why most businesses stay small and what to do about yours**
- **How to turn your business into a profit machine**
- **Sales for business owners who can't (or hate to) sell**
- **Price: how to charge more without losing sales**

Your meeting attendees will gain significant benefits from the innovative business concepts in Dr. Chapman's presentation. His easy to understand and entertaining style increases comprehension and delivers results.
